STAYIN' GREEN!

We have again teamed up with Mondo Polymer Technologies & the Michigan Boating Association to recycle our Shrink Wrap this year! Please do not discard anything other than your shrink wrap in the designated areas. (WHITE SHRINK ONLY!) DO NOT USE THE DUMPSTERS FOR YOUR SHRINK WRAP THIS YEAR! All Shrink Wrap MUST be removed by Memorial Weekend. No Blue Shrink Wrap allowed. Thank you for your cooperation in this great program!

Important Policies to Remember:

- Use of gas cans to fuel boat(s) is not allowed under any circumstances.
- One parking place per well. Any other vehicle(s) must park in guest parking area(s). Please honor parking rules
- Please keep area around your boat on land or in the water clear of any and all debris.
- Michigan Harbor is not responsible for any lost or stolen items.

BOAT MAINTENANCE

Please inform anyone you hire to work on your boat that due to security changes, they **MUST** check in at the Harbor office & pay their contractor fee before they will be allowed access into the marina.

They also will need to be sure they have the required liability insurance and workman's comp (or notice of exclusion) on file with us. They will need to sign in each day they have to come on the premises. By letting your workers know of the rules in advance, it will save everyone time. They can call the office in advance to be sure they are in compliance.

Calendar of Events

April 1	Final well pymts due/Gas Dock Opens
April 6	First Day of Launch
April 23-26	NMMA Boat Show / Open House
May 25	Memorial Day / Office Closed

"News" for 2009-We will have an outdoor bulletin board at the Gas Dock this year. I'd like to post marina news, resident birthdays, anniversaries & other news items important to our Marina family. Please get your info to me for posting: call, email or stop in!
angie@michiganharbor.com

Reminders

- All boats must be launched by June 1.
- All boats remaining on land after June 1 will be assessed a \$25.00 per day storage fee.
- All accounts must be paid in full before a launch date can be set and paid in full by April 1 to avoid any late charges.
- It is your responsibility to remove your wrap and place in designated area, have your batteries charged & lines tied to your cleats. **IT'S YOUR RESPONSIBILITY TO REMOVE BLUE SHRINK WRAP FROM THE MARINA PREMISES!!**
- All tarping rules will be in effect. Anyone not complying by these rules will be responsible for any and all clean up or charges for same and will not be launched until said mess is cleaned up. See rule #11 on the back of our storage contract for full details.
- Fishing is not allowed in the marina unless you are doing so off of your own boat. Please do not invite other people onto your boat to fish when you are not present. This causes a security problem for us.

Launching

If your boat is stored inside the heated building for the winter and you have not received your launch date in the mail from the marina office, please contact us. **Building hours will be as posted**-please allow yourself plenty of time to finish any work that may need to be done on your boat.

For those of you who have stored outside for the winter, here is the procedure for spring launch:

1. Call the harbor office at least a week or two ahead of time to set your launch date.
2. Be sure all work that needs to be done to your boat prior to summer launch is finished.
3. A few days before your launch date, please make sure that your drain plug(s) are installed, there are dock lines on board, your battery is charged and working and all other preparations are completed.

We will be starting to launch on April 6, so get those props shined for another season of fun in the sun!!

NEW: "Marina Watch" Program for 2009

See office for details

WELCOME!!

Michigan Harbor is the new home of Ken's Marine!! Same famous burgers, same great service! Ken will have fuel discounts available for Michigan Harbor customers and will be hosting a Mayfest, Perch Tournament & Octoberfest! Check our website for more details. Gas dock phone numbers at opening will be 586-775-9274 or 586-778-2013. Ken & Pat will have weekly lunch specials along with fresh grilled food daily!

We can't wait for the season to commence!!

DON'T FORGET: We offer summer storage for your Boat Trailer - call Angie for details!

ALL BALANCES MUST BE PAID IN FULL BEFORE YOUR BOAT WILL BE LAUNCHED!
